„stones sleeping next to honesty“

Can there be something more boring than a sleeping artist?

Come back into the body
The connection with nature
Dancing blind
Draw intuitively
Repetition
Slowness is challenging
Open up
Inner pictures
Mix of observing and experiencing
Naked skin on the stone
Rain inspires me
Strong connection to stones in general
More stones
Books
Research for energy in landscape
Archaic element of stones
Different colors in nature, this time blue
Blue nap
Dog brings me wings
Love - what is love, love to nature, love to oneself
Touching element
Element earth appears again
Book „psychology of love“
Cooking as communication
Silence and serenity
I don't have to feel insecure
I need breaks
Articulation of words
Liveliness
Being a child
Passion
Honesty
How others live
Rooms
Atmospheres
Put your dream in the pocket
More sound recordings
Productivity or not - is it work or what am I doing here
Being productive
Tiredness
Healing aspect
Unintentional
Asking places if I can dance
Intimacy
What happens if I don't observe
